(Updated: January 14, 2026)

Position Title: Hospice Volunteer

Agency Name: Heart'n Soul Hospice

Agency Description: At Heart'n Soul Hospice, we start as strangers with our patients and then become family. We accomplish that by appreciating and celebrating the journey that our families, caregivers, and their loved ones are on while they are in our care. Whether you've experienced the care of hospice first-hand, or you simply have a heart full of compassion, hospice volunteers make a profound difference.

Position Description: Looking to give back, complete service-learning hours, or share your unique talents? Whether you've experienced the care of hospice first-hand, or you simply have a heart full of compassion, hospice volunteers make a profound difference. Volunteer opportunities include:

- Working in the office with staff doing general office duties, such as filing, photocopying, faxing, and answering phones.
- Working directly with patients and families in the community as a committed listener providing companionship and support.
- Veteran support through companionship visits with fellow veterans in hospice care, honoring their service and sharing lived experience.
